President's Report

2012-13 was once again a challenging year for NSWBUA, with the guard settling in following on from some major changes the previous year. As I wrote last year, with the changes of Trevor, Fred and John moving on, with change comes new inputs and opportunity, & we have continued to learn from the past, as we work into the future.

I would like to thank the management committee members for their efforts. A lot of work has been done in the background & the results of this will be beneficial in the future, and in particular John Bailey, Rob Brown & Matt Wagner for extraordinary efforts. It is harder and harder for us all to commit time to our pastime, with so many of us time poor in these modern times.

The monthly development meetings have been well attended & some great information provided for us all and there were some very good discussions on rules, mechanics and game situations, with a bit of humour for good measure. I encourage all to attend as often as possible.

NSWBUA appointed umpires to a number of leagues in 2011-12. Here we list the Umpires appointed for the Grand Final games in each of the leagues:

State League

1 st Grade	2 nd Grade	3 rd Grade	Under 18
G1: Henry Cieslak	Jordan Taylor	Riley Barrington	Grant Franklin
G2: Trent Thomas			
G3: Bob Crawford			

Sydney Women's League

A Grade	B Grade
Matt Wagner	Alan Ahern

Sydney Winter League 2012

1 st Grade	2 nd Grade	3 rd Grade
Rob Brown / Henry Cieslak	Noel Palmer	Grant Franklin

Umpires were also appointed to various National Age championships, National Women's & Little League. Congratulations to all of you. I trust you enjoyed your experiences & learnt a lot. Their reports are included elsewhere in this Annual Report.

During 2012-13 we focused our attention on development of our existing members and to target others and have them join us as members. A number of new members joined and have commenced working in the various leagues. Well done to those guys & I trust you are enjoying yourselves.

I personally have enjoyed the camaraderie of my committee members, fellow umpires and the instructing panel during the year.

It is timely to once again look to the challenges of umpiring & to retain a positive attitude to the tasks we have. We sought, & in the main obtained, a degree of support from other stakeholders in Baseball. Again I reiterate the point that recruitment, training and retention of umpires at all levels is not just the responsibility of NSWBUA but all stakeholders – we all need to do our part.

Neil Alchin
President

Secretary's Report

2012 was a year of growth for your association with a number of new members attending our monthly development meetings at Homebush with them also making themselves available to work in the Sydney competitions for which we are responsible in appointing umpires.

Your association appointed umpires to the following leagues during 2012 season

- Sydney Winter Baseball League
- NSW Baseball State League (formerly Sydney Major League)
- NSW Women's Baseball League
- Sydney Women's invitational tournament.

During 2012 your association headed by our NSWBUA instructor panel ran a number of level "0" seminars for Junior Baseball Associations. Your association also ran its annual level 1 seminar at BISP with 43 attendees being put through their paces.

The biggest challenge facing your association is growing the membership to meet the growing demand to supplying umpires to various competitions. Part of this is meeting the ongoing development needs of all our umpires from local Park Ball, Junior & Association Cup, Little League, State Leagues and National Championships.

If you think you can offer something to your association please talk to one of the executive as all position are up for election.

Finally I would like to thank my fellow executive for their assistance and guidance over the past 12 months.

Sincerely,

John Bailey

Treasurer's Report

I present my Report to our Members for the year ended 30 April 2013.

I am happy to be able to report that we recorded a profit for the year of \$7562.

This result has primarily occurred due to the efforts of 3 or 4 members who ran the increased number of development courses.

Costs have remained static with the top three expenses being;

- **Computer expenses** \$1573.74
- **Little League** \$1000.00
- **Under 14-18 National Championships** \$1600.

With these costs in mind, what sort of grant should we be asking for from Baseball NSW for our association? Why aren't the costs incurred with higher development of Baseball and Umpiring in NSW subsidized?

I take this opportunity to once again thank the executive committee for their support for our association in particular Neil, John & Matt.

The fundamental issues that are influencing our Association's financial well-being haven't changed and remain a core weakness to our association. We have a small number of members that carry the majority of work, both on and off the field.

As stated above regarding income and running course and as an on field example; the current SWBL Season 2013 with 6 members doing 174 games and another 17 members doing the 166 balance of games. We need to arrest this trend.

The question is what would happen if there is no-one to run the development or that there is no-one that does 25 or more games?

To those I have umpired with this year, I've had a ball and THANKS – I've had a lot of fun and hope to meet more of you on the diamond. All you need to do is email the Coordinator and ask – he will arrange it.

Assuring you of my best intentions at all times.

Rob Brown
Treasurer

Statement by members of the management committee

The Management Committee has predetermined that the Association is not a reporting entity

The Management Committee has determined that the special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the accounts

In the opinion of the Management Committee, the accompanying financial statements being:

- a) Income Statement for the Year Ended 30 April, 2013.
 - b) Balance Sheet as at 30 April, 2013.
- 1) Present a true and fair view of the financial position of the
NEW SOUTH WALES BASEBALL UMPIRES ASSOCIATION
INCORPORATED
as at 30 April, 2013
 - 2) At the date of this statement there are reasonable grounds to believe that the
NEW SOUTH WALES BASEBALL UMPIRES ASSOCIATION
INCORPORATED
will be able to pay its debts as soon as and when they fall due.

The Management Committee further reports:

- a) There are no mortgages, charges and other securities of any description affecting any of the property of the Association as at 30 April, 2013.
- b) There are no funds held by the Association in its capacity as Trustee of any Trust.

This statement is made in accordance with the resolution of the Management Committee and is signed for an behalf of the Management Committee by:

President _____ **Neil Alchin**
Dated 12 August, 2013

Treasurer _____ **Rob Brown**
Dated 12 August, 2013

Independent Audit Report

To The Members

New South Wales Baseball Umpires Association

Audit Brief

I have audited the financial report, being the Income Statement, Balance Sheet and Notes to the Financial Statements for the year ended 30 April 2013. The Committee of Management is responsible for the preparation and presentation of the Financial Report and the information contained there in. I have conducted an independent audit of the Financial Report in order to express an opinion on it to the members of the Association.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the Financial Report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the Financial Report is presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements in Australia so as to present a view which is consistent with my understanding of the association's financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

In conducting my audit I have complied with the independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In my opinion, the Financial Report of New South Wales Baseball Umpires Association presents fairly in accordance with applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of New South Wales Baseball Umpires Association as at 30 April 2013 and the results of its operations for the year then ended.

MARY SZIRMAI B Bus
Registered Auditor
12 August 2013
Suite 306
10-12 Clarke Street
CROWS NEST NSW 2065

State Director

It is with pleasure I write my first report for the NSWBUA.

Our numbers may not be what they once were, which is disappointing, but for the umpires we do have it is my aim to ensure you are given the best possible education and development opportunities to make you the best umpire you want to be.

With the Australian Baseball League now established the need to maintain a high level of officiating is a must. NSW is fortunate enough to have some of the most senior umpires at the national level. However there is a need for more umpires to be pushing for positions at either the top, or near the top of the sport. It shouldn't be looked upon as a disheartening effort for persons to not get picked at the highest level but rather a feeling that if you continue to do your best and a position presents itself that you will be ready. Not everyone will get this chance – realistically only a rare few. But to not try and to not push yourself, which in turn will push others, is to let down baseball in general.

The next level of umpiring at the national level has many opportunities. Umpires may be lucky to get one quickly and for others it may take time. These national championships are used to reward umpires that are demonstrating a commitment to umpiring overall and umpiring at a particular level. It's also a pathway for umpires to move up by taking opportunities that present themselves. The umpires representing NSW at these championships will need to be of a high standard as umpiring in NSW is highly reflected upon those that get to be viewed by others away from home. Let's maintain our leadership in this area.

The bulk of the membership is our day to day club / association umpires. It is you that makes our organisation what it is. Baseball may be an amateur sport in this country but the professionalism all members show on the diamond from local T-ball to State League is what sets us apart from other sports. We are fortunate enough to learn the professional way and umpire in the same manner as the pros but in a somewhat more relaxed atmosphere – well most of the time.

The NSWBUA is continually looking for ways to provide benefits to its members. And it's these benefits all levels can get access to. Be it seminars/workshops, meeting and education nights or instructional games/tournaments the senior executive of the association is continually looking at ways to provide for you.

When I first joined NSWBUA the engagement between umpires was unique. Be it old or new, experienced or inexperienced, all came together to learn and help each other. Seminars were a yearly get together and meeting nights were standing room only. This is the type of engagement – should I say enjoyment – we all need to bring back to umpiring. This isn't something I or select individuals can do. It is something we ALL need to do. Umpiring should be enjoyed, let's all work together to make this happen.

National Appointments:

U14 – Canberra (January 2013): Matthew Wagner, Nick Glazebrook, Alan Charity

U16/U18 – Geelong (January 2013): Robert Dawes, Rod Thomas, Riley Barrington, Mark Gilmour

Women/U15 Girls – Ballarat (April 2013): Ray Izaacs

Little League – Gold Coast (May 2013): Riley Barrington, Alan Charity, Keith Layman

ABL – 2012/2013: Trent Thomas, Paul Hyham, Bob Crawford, Luke Goldsmith, Mark Gilmour

Australian Academy: Jordan Taylor, Riley Barrington

U23s – Adelaide (September 2013): Jordan Taylor

International Appointments:

Asia Series – Busan, Korea (November 2012): Trent Thomas

World Baseball Classic (March 2013): Paul Hyham

Appointed Umpire's Reports

Under 14 National Championships, Canberra

Firstly I would like to thank the executive for the opportunity of this appointment. This was my second opportunity at a Junior National Tournament after travelling last year to LL National Titles on the Gold Coast and being selected again is an honour and has certainly been a highlight of my Umpiring Career so far.

In early January I headed off to Canberra with Alan Charity for the 14's National Titles. Arriving at game venue at Narrabundah we met up with the other guys that had arrived from Interstate and with a couple of Local Umpires. For most of the crew this was their first appointment but a number had been to several National age tournaments.

We had a good mix of experience and inexperience as well as a mix of ages from some younger guys as well as some more seasons folk. There were also a couple of guys from interstate that both Alan and I had worked with at recent LL titles.

Interstate Umpires Included:

3 from NSW including Alan and I as well as Nick Glasebrook from Newcastle

4 from Victoria

1 from South Aust

1 from QLD

1 from WA and

2 from Canberra as well as

Takahido Maksudo from Japan who umpired in the ABL

Matt Pearson was the Umpire coordinator for the tournament and was able to provide solid feedback over the days of the tournament but with 3 diamonds running at once his time was stretched. For Alan and I this was a change from LL where there were 3 instructors providing feedback.

During the Tournament the Canberra Calvary also played host to the Blue Sox and Matt Pearson was also involved in these games.

For the Pool games we utilised the 3 man system and this was a great opportunity to practice on new skills. Generally there were 3 Diamonds in use using 4 timeslots with the Main Diamond at Narrabundah used each day. Narrabundah is a great venue.

Each day included early starts and late finishes and included a night game each day which was a great opportunity for these junior players to enjoy.

For Umpire Development a number of states appointed Junior Umpires to this Tournament. This mix with some older Umpires made for a great few days.

Again I would like to thank the Executive but would also like to encourage any of the NSWBUA members that have an interest in developing their Umpiring Career to get involved and seek appointment to these Tournaments

Matt Wagner and Alan Charity

UNDER 16'S & 18'S National Youth Championship – Report 1

Travel

Flying direct from Newcastle was very much appreciated as it saves both time & extra travel although it was one of my least favourite landings due to high winds & the plane suddenly dropping as it was approaching Melbourne.

Accommodation

Whilst I've stayed at the Geelong Grammar School in 2009, the Elizabeth Murdock Building was very well equipped & comfortable for all.

Umpire Panel

This was a great panel to be part of, the vast array of experience & personalities ensured good humour & opportunity for all to both laugh & learn.

Games Venue

Geelong Bay Cats did it again proving why they have had repeated Championships at this fantastic venue.

I must thank the ABF for supplying the uses of the physio team of Steve, Nick, Kate, Fiona & Darcy as they certainly assisted me personally as well as my fellow umpires & teams throughout the tournament.

Tournament

This was my sixth National Championship & by far my most enjoyable, mainly due to me being a little more relaxed than in the past & being able to watch & assist some of the newer members of the panel as well as learning a little more improving me as an umpire.

There were a number of highlights some of which were umpiring a seven innings game & then getting back to the change rooms to realize I had left my leggings in my bag, (it looks like I won't be winning the lottery as I used all my luck in that game).

I must also make comment & give credit to Michael Lyon on his polished performance in plating the 18's gold medal game, proving a very well deserved appointment.

One thing that did surprise me at these championships were the number of umpire meetings during the games which as pointed out to me could of been because umpires not having confidence in their own ability though I know we all learnt from these experiences.

Conclusion

I would like to thank Geoff, Ian, the Tournament Director Michael, Scorers & all the ABF staff for a great & successful Tournament, I also look forward to be considered to participate in future tournaments.

Best wishes & Many Thanks

Mark Gilmour

Under 16/18's National Youth Championships – Report 2

On the 10th of January the NSW umpiring crew (Bob Dawes, Rod Thomas, Mark Gilmore & myself) flew down to Melbourne to arrive and meet the other umpires from the around Australia. We knew the tournament was going to be off to a good start when the NSW scorer that was supposed to be travelling with us, wasn't on the plane for the trip down. The tournament officials were being put up for the duration of their stay in the Geelong Grammar School which wasn't too far from the grounds.

Before the tournament started, the umpires had a small seminar on the grounds of the school so we could run through the 3 umpire system mechanics and practice so we were all using the same system. This went reasonably well with the instructors ironing out the minor difference that each state had in their actions. It was here also that we got to meet and know the local umpires that would be joining us from Victoria.

The tournament itself actually started on the 12th of January with a full day of games on all four diamonds at the Geelong Baycats fields. The tournament was structured so that the two age groups had double headers on every consecutive second day. During the tournament the umpires had the chance to work with people from all over the country and a different crew each day. Over the course of the tournament the umpires would average about 18 games in the 9 days of the tournament.

As the youngest umpire down there I wasn't expecting anything big, I knew it was going to be a massive learning curve in umpire mechanics and the lifestyle needed to do that many games in such a short time. Out of the 18 games done in my period at this tournament, two stick out as achievements that I'll remember, in my last two games I was awarded the plate in the U16 Bronze Medal game & 3rd base in the U18 bronze medal game. As the youngest member of the umpiring panel this was a pretty special moment as it meant that I had worked hard and achieved well during the tournament.

Overall it was a very successful tournament for the umpires from NSW; they umpired well in hard and arduous conditions. And the award for the silliest act of the tournament goes to one Mark (Happy) Gilmore, I've never seen a more shocked face when he came in at the end of doing the plate for 9 digs and realized that he forgot to wear his leggings for the whole game! Well done Happy & well done to all the umpires who went down to Geelong this year, it was an experience and I'm sure we all learned valuable lessons from it.

Riley Barrington

MLB Australian Academy

On the 11th of August we arrived at the Major League Baseball Australian Academy Program getting a good look at the beautiful weather that we managed to get the entire time we were up there. The program was tough for the two weeks involving Riley & myself and we were graced by a man who would become a good mate Nicholas Mathey an umpire from New Caledonia who would join us for the first week of our trip. The days were roughly the same, waking up go to breakfast back to the rooms to get changed and straight down to the field, we were able to join in with the academy teams during there training periods whether it be practicing our pause, read reacts or working on our drop steps and other positioning and mechanics to help us out in becoming better umpires under the watchful eyes of Ian Mckenzie from Victoria to ensure we got it right and who pushed us to get it right, after the morning drills it was generally time for lunch (safe to say we had all had

enough of pasta after a few days, yet it kept coming every day for lunch at the field was generally pasta with some sort of other variance in there), we would then go work our games whether it be a double header or just the single game, with the attention of Geoff Robertson and Ian McKenzie assessing our games making sure we were at our best, after the games we would head back to the change room and go through our post game what we noticed on the field and the things that were noticed by Geoff and Ian.

Once we finished our post games it was time to head back to the rooms have a quick shower and head into Macca's room for a bit of video on things we could actually see that we may not have realised we were doing during the game.

We would generally go for dinner around 6ish then back to the rooms for a bit until we would go do some rulebook sessions in Macca's room for a couple of hours, one thing that was huge and was key to these sessions was the need to know the rules.

We were all given an assessment to do in the first week where we had to pick any rule we wanted and provide a presentation in the subject, once finished explaining Macca would then act as a manager trying to test our knowledge on the rule by thinking up as many protests as he could until he could beat you or gave up.

During the weeks of academy we were given plenty of homework whether it be finding answers to a scenario, completing our assessment or going through pages of scenarios and providing the answer with a rule reference.

During the second week we were able to umpire some different teams with Riseisheia a college of medicine and sport from Osaka coming in to play the Australians as well as the Canadian under 18s team coming in preparing for Taiwan, I was lucky enough to be graced with the opportunity to umpire both these teams.

All in all this was an amazing trip with some amazing experiences of umpiring games that were of such a high quality and to be able to be assisted by Geoff Robertson and Ian McKenzie in trying to become better umpires.

All though the days were long and tough physically and mentally on the field and off every minute of this trip was worthwhile and an experience I will never forget and I have come back with way more knowledge of what it takes to be a good umpire I've brought back from this trip more rule knowledge than I have ever had before, it has shown me how important it is to really be a student of the rulebook and this is definitely something I would recommend to other umpires who were willing to work hard to achieve their best.

I would like to thank Trent for the opportunity in nominating and recommending that Riley & I attend academy.
